Title: Accredited project

Project No.: 2022-1-SK01-KA122-ADU-000070949

Project duration: 1.7.2022 – 31.8.2023

Project e-mail: projects@thebridge.sk

Financial scheme: Erasmus+, Key Action 1, Adult Education

OID: E10096009

Objectives:

1. To improve teacher engagement and motivation with good opportunities for self-development
2. To develop a clear digital strategy for integrating technology into teaching
3. To provide most up-to-date practices for teaching business professionals to prepare them for the modern workplace

Activities:

During the project, we carried out **four mobility activities** focused on enhancing teachers' competencies through structured courses, and one activity focused on **job shadowing**. The courses covered the following topics: **digital competences – using online tools in teaching and digital storytelling, coaching, and teaching Business English**. The job shadowing activity involved a non-teaching staff member and focused on management and the development of educational content for English for Specific Purposes (ESP) courses.
