Title: HLT.digital: Adapting, digitalizing and disseminating humanistic language teaching approaches for teachers in 21st Century Europe

Project No.: 2021-1-SK01-KA220-ADU-000028455

Project duration: 1.1.2022 – 29.2.2024

Project e-mail: projects@thebridge.sk

Financial scheme: Erasmus+, Kľúčová akcia 2, Strategické partnerstvá v sektore vzdelávanie dospelých

OID: E10096009

Project outputs:

<https://hlt.digital/>

1. GALLERY - The gallery of HLT practitioners introducing some expert teachers through their profiles, links to articles, lists of published books etc.
2. VIDEO GALLERY - HLT practitioners answering questions on various teaching topics and interviews about HLT and their work.
3. ARCHIVE - A large number of digitised ELT methodologies, materials and practical exercises written by renowned HLT pioneer MARIO RINVOUCRI.

Activities:

- 5 transnational project meetings
- Webinar series for teachers
- 2 international conferences
- 7 multiplier workshops

Through the HLT.digital project under the Erasmus+ KA2 programme, we are bringing innovative digital methods to foreign language teaching and opening new opportunities for education and international collaboration.
