“

We are an international company so it is necessary for our employees to speak English and improve the level of it.

“

Lucia Gažová
Head of Accounting

The Bridge®

EURO  PAPIER®

“

When employees grow, the company as a whole grows.

We find language education very important, because it is necessary for communication and effective cooperation.

”

Lucia Gažová
Head of Accounting

The Bridge[®]

EURO  PAPIER[®]

“

The participants of language courses can express themselves better, write emails with higher self-confidence, or make an effective phone call with a business partner.

”

Lucia Gažová
Head of Accounting

The Bridge®

EURO  PAPIER®

“

We have to communicate in English with our mother company and if the level is lower, we cannot react fast to the questions of our colleagues from abroad.

“

Lucia Gažová
Head of Accounting

Head of Accounting

The Bridge[®]

EURO  PAPIER[®]

“

The Bridge tries to meet all our requests in terms of teachers, content as well as the level of the courses, and make them totally tailor-made.

“

Lucia Gažová
Head of Accounting

The Bridge®

EURO PAPIER®

“

Language education is a necessity these days, because there is English everywhere: the internet, AI, software, hardware, potential business partners and customers.

“

Lucia Gažová
Head of Accounting

The Bridge®

EURO  PAPIER®

“

Education has a meaning when you see that a person works hard on their development, and is successful in their career as well as personal life.

“
